PLEASE
WAIT HERE.

PLEASE
WAIT HERE.

I really
want to see
Richard now.

But I can't leave
because she often tries
to avoid our side
from the Academy
Art Festival
Chairman.

What should do?
Will Richard see
before is my
report?

Even if I've
rejected it to
everything I love

That's right
The way there
is more of a
desire than if
I left nothing

Only
only

hopeful

A black and white photograph of a city skyline at night. A bright sun with many sharp rays is positioned in the upper right quadrant of the image. The sun's light illuminates the scene, creating a strong contrast with the dark sky. The city buildings are visible in the lower portion of the image, their lights reflecting on the water in the foreground. The sun's rays are long and pointed, radiating outwards in all directions. The text "The milky way..." is written in a simple, sans-serif font across the center of the sun's disk.

The milky way...
